MyBudget Pty Ltd Brisbane

Since 1999, we have helped more than 130,000 Australians stop worrying about money. Queenslanders have been part of that from the start, and we are proud of it.

How Brisbane appointments work

You do not need to come to us. All Brisbane appointments happen by phone or video, at a time that suits you.

That means life does not have to stop for you to get help. You can fit your first conversation around work, family, and everything else already on your plate.

Here is what that looks like in practice:

- No trip into the CBD for an initial conversation
- Contact us to check available appointment times
- Access from anywhere in South East Queensland, whether you are in Brisbane CBD, Chermside, Ipswich, Logan, Redlands, Toowoomba, the Sunshine Coast, or the Gold Coast
- Access to the same service wherever you are; our Money Coaches support you by phone, email and through the app

We meet you where you are. That is how it should be.

Who we can help

We help couples, families and individuals organise bills, build savings and work through debt. If consolidation or refinancing could help, our in-house lending team can assess options alongside your household budget.

If money feels tight right now, practical support is available. Queensland clients are dealing with pressures that are becoming more familiar every year, and there is no shame in that.

Some of the situations we see every day:

- Cost of living rising faster than wages
- Rent and mortgage costs pushing further out of reach
- Buy-now-pay-later and credit card debt that crept up quietly over time
- Families balancing school fees, sport, and the extras that make life good
- Fly-in-fly-out and shift workers managing irregular income
- Small business owners trying to keep personal and business cash flow separate
- People starting over after separation or divorce

Whatever your situation, you deserve a clear path forward. The MyBudget Pty Ltd Method starts with a short free initial chat, then a separate, fuller free personalised budget appointment where the team builds a 12-month plan around your life and goals.

We do not judge how you got here. We focus on where you are going.

Real clients, real outcomes

Our client stories come from real people. Many of them started in situations that will feel familiar to Brisbane households. Not perfect people with perfect finances, but people who decided to ask for help and whose lives changed because of it.

- Michelle and Phil paid off $40,000 in debt and now save $3,000 or more every month. See their story.
- Caroline rebuilt her life after divorce as a single mum of three, built her dream home, and went back to study. See her story.

These outcomes are real. They are possible. And they start with one free conversation.

Book your Brisbane appointment

It starts with a free initial chat so we can understand what you need. At your free, no-obligation budgeting appointment, usually around two hours, we analyse your income, living costs, bills, debts and goals. We explore practical options and build a personalised twelve-month budget and money strategy. The plan is yours to keep, whether you manage it yourself or choose our ongoing service.

- Call: 1300 300 922
- Book online: free, no-obligation appointment
